4TH NATIONAL PAIN FREE CONFERENCE & 7TH MASP BIENNIAL SCIENTIFIC MEETING

THE MANY FACETS OF PAIN: FORGING AHEAD WITH MULTIDISCIPLINARY APPROACH

Virtual Conference Date: 23rd - 24th September 2020 (Wednesday - Thursday)

WELCOME MESSAGE

Dr Ungku Ahmad Ameen bin Mohd Zam
Organising Chairperson

Greetings to all!

Due to the growing concerns about COVID-19 especially on social gatherings such as international meetings and conferences, the safety, health, and well-being of our participants, speakers & partners are our top priority. We are delighted to announce that the 4th National Pain Free Conference and 7th Malaysian Association for the Study of Pain (MASP) Biennial Scientific Meeting (BSM) 2020 have shifted to Virtual Conference which will be held on the 23rd – 24th September 2020. This is the first time our conference is being held virtually and our scientific committee is working enthusiastically to provide our participants a program which embody the commitment as we continue to virtually meet, engage, learn and advance in the field of pain management with the involvement from multi subspecialties and disciplines to share their experience, knowledge and expertise.

Our theme is “The Many Facets of Pain: Forging Ahead with Multidisciplinary Approach”. The main focus is to address approaches of pain from subspecialties such as dentistry, family medicine, geriatrics as well as surgery. In the effort of making this virtual conference successful and memorable, we have invited eminent speakers to our conference. We are confident that you will enjoy a stimulating virtual conference and your participation will help contribute to this vibrancy and enrich discussions around the theme, developing professional knowledge and exchange, insights and collaborations. This virtual conference is co-organized by the Malaysian Association for the Study of Pain (MASP) and the Ministry of Health Malaysia (MoH).

It is with great pleasure that the organising committee would like to invite all of you to join this virtual conference.

We look forward to seeing you virtually!

Dr Ungku Ahmad Ameen bin Mohd Zam

Organising Chairperson

4th National Pain Free Conference &

7th Malaysian Association for the Study of Pain (MASP) Biennial Scientific Meeting (BSM) 2020
