**DAY ONE. SATURDAY, 16th July 2022**

TIME	TITLE OF LECTURE	SPEAKER
<b>OPENING CEREMONY</b>		
0800-0810	Welcoming message from the MSIPP President	Dr TOH Charng Jeng
0810-0820	WIP President-Elect message to MSIPP	Dr Dominic Hegarty
<i>0820-0830</i>	<i>Educational video 1</i>	
<b>SESSION 1 - HEAD AND NECK</b>		
0830-0900	Hyperactive dysfunctional syndrome of cranial nerve neuralgia..Current evicence of treatment options.	Dr Toh Charng Jeng
0900-0930	The current evidence of Atlanto-Axial and Atlanto-Occipital pain intervention in the management of chronic headache.	Dr Milan Stojanovich
0930-1000	Diagnosis and management of persistent post cervical spinal surgery pain syndrome. How to approach systematically	Dr Dominic Hegarty
1000-1030	Atypical facial pain. Dilemma in diagnosis and treatment. What is the role of pain intervention?	TBA
<i>1030-1100</i>	<i>Educational video 2, Educational video 3, Educational video 4</i>	
<b>SESSION 2 – MUSCULOSKETAL</b>		
1100-1130	A systematic approach to diagnosis and role of interventional pain in chronic hip pain. <i>1200-1230 (South Korea time)</i>	Dr Lee Sang Hoon
1130-1200	What are the pain generators in chronic ankle pain? The role of treatment in various pain intervention	TBA
1200-1230	Episacral lipoma-One of the rare cause of low back pain. Is it a myth? The approach to management	Dr Muralitharan Perumal
1230-1300	Current evidence and management protocol for myofascial pain syndrome.	Dr Noyi
<i>1300-1400</i>	<i>Educational talk A(20mins), Educational Talk B (20mins) , Educational Talk C (20mins)</i>	
<b>SESSION 3 - SPINE</b>		
1400-1430	Management approach and guideline in post laminectomy persistent pain syndrome. An overall review from a Korean experience <i>1500-1530 (South Korea time)</i>	Dr.Yongjae Yoo
1430-1500	The current evidence of cervical epidurolysis in neck pain	Dr Ozlan Isma
1500-1530	Latest interventional pain guideline and the limitations .An overview looking at the various interventional pain societies guideline for chronic spinal pain. <i>1230-1300 (India time)</i>	Dr Gautam Das
1530-1600	Epiduroscopy - is it still relevant today?	Dr Lim Heng Hing
1600-1630	The evolving role of ultrasound in diagnosis and pain interventions in cervicogenic pain.	Dr Raja Reddy
1630-1700	Thoracic spinal pain. Differentiaal diagnosis by utilizing a multimodal pain management model .	Dr Gopinathan

**DAY 2 SUNDAY, 17th JULY 2022**

TIME	TITLE OF LECTURE	SPEAKER
------	------------------	---------

**SESSION 4 – SPECIAL PAINFUL CONDITION**

0800-0830	ICD11 pain classification	Dr Mary Cordosa
0830-0900	Ultrasound guided interventional therapy for painful neuropathic condition. <i>0830-0900 (Hong Kong time)</i>	Dr Carina Li
0900-0930	Eagle pain syndrome - A rare and complex facial pain.	Dr Dominic Hegarty
<i>0930-1000</i>	<i>Educational video 5, Educational video 6</i>	

**SESSION 5 – CANCER PAIN**

1000-1030	The cancer pain dilemma. Addressing the elephant in the room. Oncologist's versus pain specialist's role in cancer pain management.	Dr Amitabh Balati
1030-1100	Superior hypogastric & ganglion impar block: Managing the chronic pelvic pain & malignancy.	Dr Awisul Islah
1100-1130	The complexity in managing abdominal malignancy pain and the current role of pain intervention, <i>0830-0900 (India time).</i>	Dr Shushma Hatnagar

**SESSION 6 – NEUROMODULATION AND PAIN SURGERY**

1130-1200	Recent advances and indications for spinal cord stimulators and the outcomes. <i>1430-1500 (Australia time)</i>	Dr Paul Gray
1200-1230	The recent evidence and indication for pain surgery in difficult painful condition. <i>1100-1130 (Thailand time)</i>	Dr Bunpot
1230-1300	The dilemma in diagnosing and management Of Complex Regional Pain Syndrome and current evidence for pain interventions and role of radiofrequency.	TBA
<i>1300-1400</i>	<i>Educational Talk 4, Educational Talk 5, Educational Talk 6.</i>	

**SESSION 7 – ULTRASOUND GUIDED MEDICINE**

1400-1430	The role of ultrasound in diagnosing and performing interventional pain procedures for lumbosacral spinal pain. What are the clinical pearls?	TBA
1430-1500	The future of ultrasound technology in interventional pain. Can POCUS (Point Of Care Using Ultrasound) help is performing bedside interventional pain procedures. <i>1430-1500 (Hong Kong time)</i>	Dr Stanley Lam
1500-1530	The role of ultrasound guided intervention for Nerve Entrapment Syndrome.	Dr Anwar Samhari

**SESSION 8 – RECENT ADVANCES IN REGENERATIVE THERAPY.**

1530-1600	What is the current evidence for the role of regenerative medicine in various acute and chronic pain conditions? Is stem cell therapy the future or just an hype? <i>1530-1600 (Taiwan time)</i>	Dr Helen Gharaei

1630-1700	The role of regenerative therapy and evidence in management of post-covid neuritis	Dr Mohd Shahrir

## **INTERNATIONAL FACULTY**

Dr Alex Yeo Sow Nam (Singapore)  
Dr Amitabh Balati (USA)  
Dr Bunpot Sitthinamsuwan  
(Thailand)  
Dr Carina Li Ching Fan (Hong  
Kong)  
Dr Dominic Hagerty (Ireland)  
Dr Helen Gharaei (Iran)  
Dr Gautam Das (India)  
Dr Lee Sang Hoon (Korea)  
Dr Milan Stojanovic (USA)  
Dr Noyi (Indonesia)  
Dr Paul Gray (Australia)  
Dr Shushma Hartnagar (India)  
Dr Stanley Lam (Hong Kong)  
Dr Yongjae Yoo (Korea)

## **LOCAL FACULTY**

Dr Awisul Islah B. Ghazali  
Dr Anwar Samhari  
Dr Gopinathan Raju  
Dr Lim Heng Hing  
Dr Mary Cardoso  
Dr Mohd Shahrir  
Dr Muralitharan Perumal  
Dr Toh Charng Jeng

# **REGISTRATION FORM IPU 2022 VIRTUAL:**

## APPLICANT PARTICULARS

1. TITLE: \_\_\_\_\_
2. FAMILY NAME: \_\_\_\_\_
3. OTHER NAMES: \_\_\_\_\_
4. EMAIL: \_\_\_\_\_
5. CONTACT MOBILE: \_\_\_\_\_
6. ADDRESS: \_\_\_\_\_
7. COUNTRY: \_\_\_\_\_

## REGISTRATION TYPE

1. MSIPP MEMBER (RM50)
2. NON-MSIPP MEMBER (RM100)
3. NON-MALAYSIAN (USD100)

## PAYMENT METHOD

1. ONLINE TRANSFER
2. IPAY88

PLEASE EMAIL FORM AND PROOF OF PAYMENT TO :  
SECRETARIAT.MSIPP@GMAIL.COM

### Banking Details for Online Banking:-

Beneficiary Account Name:-Malaysia Society of Interventional Pain

Beneficiary Account Number: 514048598958

Beneficiary Bank : - Malayan Banking Berhad,

Bank Address:- Malayan Banking Berhad, Pudu Branch, 418-424, Jalan Pudu, 55100,

Kuala Lumpur, Malaysia. Tel:+603-2143555

Swift Code:- MBBEMYKLPUD
